

Radius Indiana Seeking Freelance Graphic Designer

This is a project-by-project, freelance position that would assist Radius Indiana in developing marketing materials to raise awareness of the region, attract new businesses to the area and drive traffic to the Radius Indiana website.

Our marketing needs:

Radius wishes to develop digital and print ads, print materials including brochures, fliers, direct mail pieces, and interactive website graphics that creatively show economic data for the region. Staff will use the materials in outreach efforts and economic development initiatives for the region.

Our qualified candidate:

- 2+ years graphic design experience / Bachelor's degree in graphic design, visual art or related field or equivalent experience/education preferred
- A commitment to high-quality work
- Demonstrated strong organizational skills and attention to detail
- Ability to prioritize and complete work under strict deadlines
- Excellent organizational and time management skills
- Ability to articulate ideas well, be resourceful and persistent in execution
- Ability to work from concept through to final production
- Knowledge in Adobe Creative Suite
- Familiarity with Radius Indiana region and/or economic development-related experience a plus.

Interested candidates should send resume and design examples to:
